

PRESTBURY BOWLING CLUB: SOCIAL MEMBERSHIP (April 2024)

Objective:

To increase usage of the Club's facilities, and to raise funds, by creating a new membership category. This is aimed at people that may not (initially) be keen or confident enough to become a full bowling member, but that have a desire for a social outlet that allows access to beautiful and peaceful garden surrounds, with tea and coffee making facilities, all in private grounds close to the village centre.

Quick Summary:

Social Membership confers on the member all the rights of a Full Member with the exception of not being allowed to bowl on the green.

Note: Social Members may still bowl at the Club subject to payment of the standard Visitor Fee, which is currently 3 pounds, and being hosted by a Full Member.

Key Rights: (Note: Bowling Season typically runs from late-March to mid-October each year.)

- Full use of the pavilion and all other on-site facilities, during the Bowling season.
- Full use of the club boules set and boules pit for boules games.
- Free teas, coffees and biscuits.
- Optional Free 'Taster' bowling session available.
- Optional Entry to join the Club's Lucky Draw (The 50:50 Club)
- Invitation to all Club Social Events eg: Summer BBQ, Christmas Party, etc (*)
- Invitation to all 'themed' bowling Roll-Ups for Social and Food/Drink (Midsummer Madness, French Themed, etc) (*)
- (*) cost of attending will be the same as for Full Members

Cost of Social Membership:

Indicatively, the annual Social Membership should cost around one third of a Full Membership.

For 2024: this is 30 pounds.
